To foster an interest in words and their meanings and to gain an appreciation and love of books from a variety of genres.

To enable children to find books interesting, to read with enjoyment and to evaluate and justify their preferences.

To celebrate the gift of reading and appreciate the rich variety of books, stories and texts we have in school, in libraries, online and at home.

Tiger's plan had been to sneak into the toyshop, have a quick play with a Robo-Rex, then get out before anyone noticed him. But now he saw all of the amazing toys in the shop, he just couldn't resist playing with some of them, too. "I might never have the chance to do this again," he said to himself.

Which should he choose?

## Year 5

Inventing a time machine should be pretty exciting, even if you did it by mistake. But I like to keep a cool head. Besides, I couldn't figure out how it was going to be any use to me. Not if I couldn't get off the stupid tyre and actually explore the future.

That was the problem. Every time the wing stopped I returned to the present. What good was that? It was like having the keys to the world's biggest toy store and discovering the place didn't have a door.

And then it came to me. I believe it'd called 'thinking outside the box'.

Whenever the swing stopped I was returned. But what if I wasn't on the swing when it came to a halt?

It was worth a try.

# Parent Workshop at Handale Primary School

## Guided Reading

Guided reading takes place in Key Stage 1 and Key Stage 2 every day from 12.50 pm and lasts 30 minutes.

# Parent Workshop at Handale Primary School

## How can you support your child at home when reading?

There are two aspects of reading to consider.

One is the need to read well in order to cope with everyday lessons and in later life.

The other is to encourage the art of reading for pleasure.

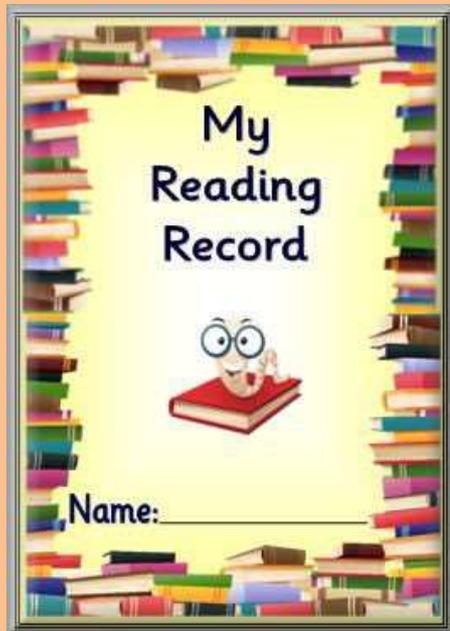

# Parent Workshop at Handale Primary School

## Keep a simple record of what your child has read.

This is a great help to the teacher. All children have a reading record book and we invite you to make comments in here of reading they do at home. Children should read three nights a week at home.

# Parent Workshop at Handale Primary School

**Read stories out loud to your child**

*Shall I read  
a story to you  
before  
bedtime tonight?*

# Parent Workshop at Handale Primary School

## Extending reading

### Consider asking your child to:

- Read the menu in a cafe
- Look up information in football or other programmes
- Check train or bus times
- Look up numbers in the telephone book
- Check the times of television programmes
- Read the rules of a game
- Read signposts and flyers
- Read a recipe
- Read a magazine or a newspaper article

## How can I support my child's reading at home?

You can still do a great deal to help your children make progress in their reading. Their progress is greatly helped by how much reading goes on at home. There are two aspects of reading to consider. One is the need to read well in order to cope with everyday lessons and in later life. The other is to encourage the art of reading for pleasure.

### Keep a simple record of what your child has read:

This is a great help to the teacher. All children have a reading record book and we invite you to make comments in here of reading they do at home. Children should read three nights a week at home.

### Talk about a story:

Ask your child to explain the main events of the story and try to guess what will happen next. Ask them about their favourite character or episode of the book. Encourage them to state their likes and dislikes and give their reasons.

We have produced a reading guide for parents looking to help their child with reading at home.

Our reading books are organised into coloured book bands. We are beginning this new coding system with Oxford Tree reading books. We also have a selection of Project X books and Collins Big Cat's. The book band colours progress as shown in the table.

Once your child has reached lime band they will be encouraged to take one book home from the library to read alongside their selected reading book.

If you would like a copy of reading guide and question help sheets together with other resources and links to help your child with their English, please leave your details at the back of the hall.
