

Handale Primary School Sports Premium Funding Report 2019-2020

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> Increased participation in competitive sport. Our children attended a large number of school sports consortium events throughout the year and the league table was available in July 2020. The profile of PE and sport is high with regular updates given by celebrating success on the weekly newsletters, and the community publications; Town crier and Freebrough Flyer. Through our service level agreement with Sports East Cleveland Partnership and MFC Foundation we have access to high quality CPD. Change for life club for identified pupils weekly. A wide range of physical activity after school clubs were offered for every school term. Sport leaders who lead lunch time activities and blog regular updates on the school games website. Sports week was planned for July 2020. Breakfast club for pupils who want to take part in some extra sporting activities. 62% of pupils, from year 1-6, had taken part in a physical activity after school club between September 2019-March 2020. KS2 had a morning motivate session, where children are invited to school from 8:30am – 8:50am to take part in a get moving (dance) session ran by Mr Farrier. 90% of children in KS2 attended this for 10 minutes or longer on a morning. All staff had been observed by the PE co-ordinator. 	<ol style="list-style-type: none"> To continue working on engaging all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school. Continue timetabling two hours of PE a week. The profile of PE and sport is continuing to be raised across the school as a tool for whole-school improvement by the media of the website. Increased confidence, knowledge and skills of all staff in teaching PE and sport needs to be addressed by partaking of CPD opportunities by ECSP. The PE co-ordinator (Mr Farrier) needs to take lessons observed by staff and also observe PE being taught across the school in order to identify training needs alongside Miss Price (CPD co-ordinator) Broader experience of a range of sports and activities offered to all pupils. To evaluate the success of the sports week where a wider range of sports are offered as taster sessions. To widen the choice of after school clubs to 1. Reflect interest and 2. To increase the take up by PPG pupils. To continue to increase participation in competitive sport as the obesity figures for Loftus (and Handale pupils in particular) show no improvement, June 2018. To maintain a gold school games mark received in 2018-2019. All year groups to continue timetabling and carrying out two hours of high-quality PE a week. To tackle mental health and mental wellbeing of children and staff.
