Reception - Miss Stone

Good Morning Reception,

I hope you have all had a fantastic week. Today is Friday and that means we are at the weekend. I hope you all have a great weekend; you deserve it for working so hard this week. Thank you for all the people that have sent me work over this week, it has made me smile. If you haven't sent anything over yet please could you send me an email today, so I know how you are getting on.

Please remember I will do 2 drop-in zoom sessions a day, one at 10.30am and one at 2pm. You can ask any questions you wish to or show me some of your work. I will also read a story on an afternoon so feel free to drop in.

This morning, your job is to practice forming some letters. I would like you to watch the video of the magic pencil and practice those letters. You could think of an object that begins with each letter and draw a picture of that object.

This is the link for the video: <https://youtu.be/i1XHsf7uPoQ>

This morning's exercise is Cosmic Kids Yoga here is the link if you want to join in: [Sonic The Hedgehog | A Cosmic Kids Yoga Adventure! - YouTube](#)

Phonics

In Phonics today, I would like you to watch this video and join in. This is a recap of all phase 2 sounds. The video then looks at writing words and reading words which is important to practice every day during phonics:

I have also made a video to concentrate on the sound we learnt yesterday which was the 'v' phoneme. Here is the link:

I would like you to try and write your own sentence, you can write the same sentence as me on the video if you would like to.

Maths

Today, I would like you to watch the video and join in. You could then draw a tens frame at home yourself and make the numbers 5 and 10 in different ways.

Reading

Today, I have made a video based on one of our author books. I would like you to watch the video and join in with the story and questions that I ask. Here is the link:

Activities

Here are some other activities for you to have a go at:

- Read a phonics book on oxford owl or you can read your own phonics book if you have one. Remember to keep practicing so you become fluent with reading. [Free eBook library | Oxford Owl from Oxford University Press.](#)
- Listen to the Hairy Maclary story using the following link: [Hairy Maclary from Donaldson's Dairy | BookTrust](#)
- Think of some rhyming words with your family. I thought of the words cat and hat, leg and peg, dog and hog.
- If your family need to do some food shopping, you could help them to write the shopping list. Remember to have a go at sounding out the words yourself.
- Go on a walk and look at the things outside. Enjoy some fresh air.

I have also left the phonics play link here: username: jan21 and password: home.

I am very proud of you all, keep working hard.

Take Care, Miss Stone.
