A note from School:

Reading Books

Please use the Oxford Owl reading site to download reading books for your child to read. Alternatively, if you wish to change your child's reading book, please send me an email and we can arrange a date and time for you to come to school.

I think we are ahead of the game as we have been using the site but again if you need to have a physical book from school, let me know.

Thanks for all your continued support.
