

Monday 18th January - Home Learning

Reception - Miss Stone

Good Morning Reception,

I hope you have all had a fantastic weekend and enjoyed a well-earned rest. We are now in our third week of home learning I cannot believe how quickly three weeks have passed. I want you all to work your socks off this week so that when we are back at school, you blow my socks off. Thank you to all the people that are keeping in touch, please could I remind you to pop me an email to let me know how home learning is going.

Please remember I will do 2 drop-in zoom sessions a day, one at 10.30am and one at 2pm. You can ask any questions you wish to or show me some of your work. I will also read a story on an afternoon so feel free to drop in.

This morning, your job is to practice writing some words. The words I would like you to write this morning are dog, cat, hat, mat, pat and mess. You can write these words in all different colours.

This morning's exercise is Andy's Wild Workouts. Here is the link: [BBC iPlayer - Andys Wild Workouts - Series 1: 3. Mountains](#)

Reading Books

Please use the Oxford Owl reading site to download reading books for your child to read. Alternatively, if you wish to change your child's reading book, please send me an email and we can arrange a date and time for you to come to school.

Phonics

In Phonics today, I would like you to watch this video and join in. This is a video teaching our new phoneme for Phase 3.

[Lesson 33 \(part 1\) - Reception - YouTube](#)

I have also made a video to show you the action for the new phoneme. If you would like to watch the video of me saying the new phoneme here is the link:

<https://youtu.be/HwVmIRxny60>

After watching the video, I would like you to think of as many words as you can that begin with the 'w' phoneme. I would also like you to write that letter. Then, choose one of the words you have written down and put it into a sentence. You could tell someone in your family what your sentence is or for an extra challenge you could try and write the sentence.

Maths

Today, I would like you to watch the video and join in. Then have a go at making 5 at home yourself.

<https://youtu.be/TYHJJ2ZfG38>

Reading

On Friday we looked at one of our author stories, The Room on the Broom. Today, we are going to read a little bit more of the story. I would like you to join in at home and answer the questions.

Activities

Here are some other activities for you to have a go at:

- Read a phonics book on oxford owl or you can read your own phonics book if you have one. Remember to keep practicing so you become fluent with reading. [Free eBook library | Oxford Owl from Oxford University Press.](#)
- Have a game of I-Spy with your family. Remember this is important to help us learn the initial sounds of words.
- Help your parents to do a job in the house. You could help them to wash the dishes or make a sandwich together.
- Draw a picture of something which makes you happy. I am going to draw a picture of my dog because she makes me smile every day.
- Go on a nice walk and take lots of pictures on your way. What do the trees look like during the winter months? What is the weather like? Talk to your family about the things you see.
- Practice writing the numbers from 1-10. Make sure they are all the correct way.

I have also left the phonics play link here: username: jan21 and password: home.

I am very proud of you all, keep working hard.

Take Care, Miss Stone.
