

Monday 11th January - Home Learning

Reception - Miss Stone

Good Morning Reception,

It was lovely to see you all on our zoom meeting on Friday, I bet you enjoyed seeing your friends too. I hope you have had a lovely weekend - can you remember what days make up the weekend? Thank you to everyone who has sent photographs of their work, it has been lovely to see how busy you all are. This morning Joe Wicks is beginning his exercise sessions which will be on Monday, Wednesday and Friday. Here is the link to join in - [The Body Coach TV - YouTube](#)

Today there will be 2 drop-in Zoom sessions which you can come to. In the morning zoom session, I will be there to help with any phonics work or you can pop along and show me all the phonics you have been doing if you would like to. In the afternoon zoom I can answer any other questions and read a story. It is totally up to you if you want to come along. I have put both links below however, they will also be accessible on the home learning page as the zooms will take place daily - a morning one at 10.30am and afternoon at 2pm.

Phonics

In Phonics today, I would like you to watch the video of me doing the Phase 2 flashcards. I would like you to join in with me and think of a word for each phoneme. Here is the link for the video: https://youtu.be/700_N-ONG54

I would also like you to watch my video of the Phase 2 tricky words. Here is the link for that video: <https://youtu.be/ZsnXjTETbUM>

These video links will appear daily as it is important we recap every day.

After watching the videos, I would like you to write some tricky words and tell your family a sentence using the tricky words.

If parents could then write some words including pin, pat, sat, cat, mat, tip, tap and ask the child to read the words alongside them by sounding out each phoneme one at a time.

Activities

Here are some other activities for you to have a go at:

- Read a phonics book on oxford owl or you can read your own phonics book at home if you have one. Remember to keep practicing so you become fluent with reading. [Free eBook library | Oxford Owl from Oxford University Press.](#)
- Draw a picture of your family - remember how to draw each body part and then see if you can write each person's name underneath.
- Think of different ways to make 5. You could collect 5 objects from your house and put them into 2 groups. I collected 5 pencils and had a group with 2 pencils and a group with 3 pencils making 5 pencils all together.

I have also left the phonics play link here: username: jan21 and password: home.

[PhonicsPlay](#)

You are all superstars; you should be very proud of yourself.

Take Care, Miss Stone.
