Spelling

Weekly Spellings

All Spellings	Extra Challenge Spellings
patting, slapping, tapping, clapping, grabbing, tagging, cramming, strapping, begging, stepping	quickly, carefully, happily, angrily, loudly, calmly

I would like you to watch the video first and it will explain the spelling rule for this week. You might have noticed that you must double the consonant before adding the suffix.

https://youtu.be/Ud6NSH9I6xw

You need three different colours to complete this activity. Have a look at the picture below. You write the original word in one colour, the extra consonant in another and the suffix in another.

Phonics

Today, in phonics I would like you to think of five words which include the sounds below.

igh	ie	wh	ph	ir
night	pie	when	phone	girl

Write four sentences using some of the words. Can you add a conjunction to your sentence?

_		
Eng	lIS	r

Co – ordinating Conjunction

A co-ordinating conjunction goes in the middle of a sentence to join two clauses together. We use co-ordinating conjunctions in compound sentences.

You are going to practise using the conjunction but today.

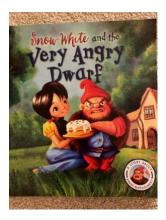

Finish my sentences:

I like learning at home but	
My sister is kind but	
We had a great weekend but	

Now write two of your own sentences using but. Remember but must go in the middle of the sentence and you are not allowed to start a sentence with but.

English

In English today, you are going to be creating a story mountain. Begin your lesson today by listening to the story by clicking on the link below.

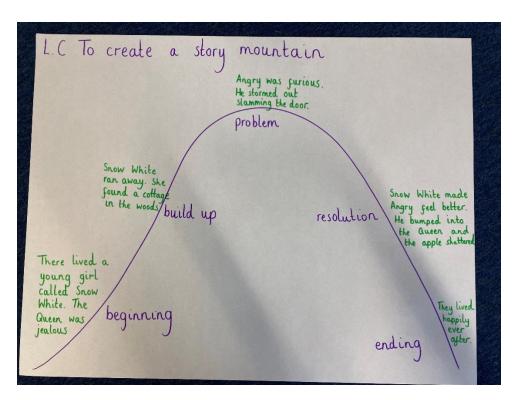

Online Stories Read Aloud: Snow White and The Very Angry Dwarf I Snow White Fairytale Stories - YouTube

After you have listened to the story, you are going to create your own story mountain just like the one I have included below. Watch the video to give you more information about a story mountain. We have completed story mountains before so I think you will be very good at it.

First draw a mountain on your page and label the mountain with the five parts of a story:

A Postcard from Mo Farah Quick Questions

- Hello Dad,
- I'm writing to you from my running camp in
- Africa. We have been training hard and working 29
- up a real sweat. It is important that we work
- hard to keep fit so that we can be the best in
- the race; that includes making sure that we are eating healthy foods to keep our bodies strong.
- For breakfast today, I had a bowl of porridge
- with a banana on top. For lunch, I ate a jacket
- potato with beans and a salad. For my evening
- meal tonight, I'm going to be having chicken
- 103 with pasta and vegetables. I love eating healthy
- 114 food because it keeps me fit and lets me run for
- 115 longer.

1. Match the name of the meal to what Mo ate for it.

Breakfast

chicken, pasta and vegetables porridge with a banana on top

Lunch

Evening Meal jacket potato with beans

2.Why does Mo want to be the best in the race?

3. '...it keeps me fit' In this sentence, what does 'fit' mean?

4. What else might Mo do to keep his body healthy?

History

Watch the video below to learn more about the events of the Great Fire of London.

https://youtu.be/sQD1hNEvjrl

After you have watched the video, you are going to create a timeline just like the one below. You need to place events on the timeline in the correct order to show what happened. You might need to watch the video again to help you do this.

There will be a drop-in zoom session at 2:15pm. Use the link below to join if you need my support with your work. If you want to join to share some of your work with me, you are more than welcome.
