Your child should know what phase they are on but if you need to drop me an email please do.

So, here we all are again.

Thank you all (teachers and parents alike) for the extraordinary efforts you are going to and for the sacrifices you are making. Apologies for the delay in updating the site in the light of the new school closure announcements. We were inevitably, like everyone else, running around like headless chickens trying to sort out the practicalities of home learning for our own kids. We had reflected hard yesterday on what options we could offer that would be most useful for all of us who are in this mess together. However, a morning of sorting out devices, apps, lost passwords, sound settings and a particularly annoying printer jam for our own kids, really helped to focus our minds. In complicated times, simple solutions are often the right ones. And so... the site will once again become free for a period of time whilst the majority of UK primary schools are closed.

You may log in with the following details:

username: jan21

password: home

The username: march20 with the password: home will also work as we know that this will still be on lots of existing home learning documents and web pages that remain from the previous lockdown.

Our wonderful existing subscribers won't be disadvantaged as they will have their subscription extended to compensate.

Thank you for the countless lovely messages from the previous lockdown telling us about the fun you were still managing to have with phonics. The days are darker now but we all know so much more about what does and doesn't work for our situations. Hang on in there. You've got this.

Stay well.

English

Handwriting Practise:

Today, we are going to concentrate on our last Monster Letters 'x' and 'z'.

Watch the animations and practise in your English books.

Remember the letters are small letters that need to sit neatly on the line.

Materials and Making Sound

Sounds are made by playing different materials in different ways.

We can **hit, tap, scrape, shake, strum, pluck** and **knock**.

We can use every type of material, from wood, metal and stone, to plastic, paper and rubber.

Have fun this afternoon using your knowledge of materials to make different sounds.

Can you have a sound of with someone in your family?

I hope you have all had a good day with your learning.

Please email me to show me you have tried your best today!

Great job today, Class 2!
