Our English focus is to write a **Fiction** story.

Task:

Today, we are going to use the pictures from Wednesday to sequence the story using Temporal Connectives (Words that describe when things are happening).

See if you can add a simple sentence including adjectives to each temporal connective below. I have written a sample story at the end of the Home Learning page if you need support.

Story Example using temporal connectives and adjectives.

Once Upon a time there was a cheeky girl, and she went into the Three Bears cottage.

Then she tasted three bowls of fluffy porridge and sat on three chairs.

Suddenly the Three Bears came back and saw her fast asleep in Baby Bears bed, **so** they chased the mysterious girl away.
