26th September 2023

Dear Parent,

Headlice

We seem to have a few classes in school where headlice are becoming a concern, therefore we have invited the school nursing team in to support and advise parents on effective treatments for this and for you as a parent to ask any questions.

The school nursing team will be in school from 3pm-4pm on Wednesday 4th October 2023 for anybody to drop in and speak to her. She will be in the spare Year 2 classroom which will be accessible from the playground.

Maths

We have wonderful support within the trust from Mr Foulds the Maths lead, who works alongside Mr Farrier, therefore we would like to invite parents in to talk about the importance of Maths and schemes used in school to develop Maths, with a particular focus on Reception to Year 3. The aim of the session is to support you, as a parent, in understanding the importance of basic Maths and to give you some ideas and resources to use at home.

This session will be held in the school hall on Tuesday 7th November 2023 from 3.15pm until 4pm. It would be wonderful to see you there.

If you have any questions please do not hesitate to get in contact.

Yours faithfully,

Mrs Padgett
Headteacher
